Rob Latter #52
Concordia University
"Stinger"

6'8" - 230 lbs.
Town of Mount Royal

One of the main reasons the Concordia men's basketball team is a force to reckon with nationally, is the addition of Rob Latter to the team. Latter is a proven all star and team leader.

The Stingers are having one of their best seasons ever. In only two months of play, the team has won three major tournaments, has established themselves as one of the top teams in Canada, and lead the QUAA in wins, rebounds, and scoring

Latter is the big man the Stingers have been looking for. He played at Lower Canada College, Vanier College, and St. Mary's University before joining the Stingers. Latter was the high scorer and top rebounder at each school.

Latter has wasted no time in establishing himself with Concordia. He is averaging 21 points a game and an amazing 16 rebounds per game. Latter's great attitude and team play has earned him co-captain honors on the Stinger squad. Stinger Head Coach Doug Daigneault says, "Latter is possibly the best 6'8" forward in the country."
